MEMORANDUM FOR: Deputy Director for Plans

SUBJECT : Termination of Project [REDACTED]

1. The [REDACTED] Project, which funded a group of [REDACTED] assets in press, radio and television, was terminated by the Santiago Station in October-November 1970. Termination was necessitated by the electoral victory of President Salvador Allende, a Marxist who had been openly opposed by all project assets, most of whom left Chile immediately prior to Allende's inauguration.

2. The following is a description of the action taken with regard to each project asset.
